

The Gulf of Maine Marine Education Association, a 501(c) 3 non-profit organization, is the northern New England chapter of the National Marine Educators Association serving Maine, New Hampshire, Vermont and the Canadian Maritimes for over 30 years.

***From the mountains to the sea, we welcome all those interested in learning, teaching and sharing their enthusiasm for the “world of water - both fresh and salt” to join us.***

**Our membership includes teachers, students, professors, informal educators and researchers from many backgrounds. From marine biology to historical ecology, we seek to integrate and understand the many facets of our human connection to our ocean planet.**

**GOMMEA provides lectures, workshops, quarterly newsletters, and other resources for its members. We invite you to join one of the region’s oldest and most active marine education groups today.**
